

Remarks

Claims 44 to 59 are added. Accordingly, claims 28 to 59 are pending in this application of which claims 28, 29, 30, 44 and 55 are in independent form.

Added claims 44 to 59 correspond to claims 12 to 27 of the parent application cancelled by the Examiner in the Examiner's amendment mailed on June 10, 2003 as part of the notice of allowability in the said parent application.

The Examiner is respectfully requested to consider these additional claims when taking this application up for examination.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Walter Ottesen', written in a cursive style.
